### WHAT IS CATARRH?

Hyomei is the Only Guaranteed Cure For This Common and Disagreeable Disease.

Hyomei cures catarrh by the simple method of breathing it into the air passages and lungs. It kills the germs of catarrhal poison, heals and soothes the irritated mucous membrane and effectually drives this disease from the system. If you have any of the following symptoms, catarrhal germs are at work somewhere in the mucous membrane of the throat, bronchial tubes or tissues of the lungs:

Offensive breath, Dryness of the nose, Pain across the eyes, Pain in back of the head, Pain in front of the head, Tendency to take cold, Burning pain in the throat, Hawking to clear the throat, Pain in the chest, A cough, Sitch in side, Loss of flesh, Variable appetite, Low spirited at times, Raising of frothy mucus, Expectoration yellow water, Difficulty in breathing, Frequent sneezing.

Hyomei will destroy activity of all catarrhal germs in the respiratory organs and in a few weeks the cure will be complete.

This is a strong statement, but Rickert & Wells emphasize it by agreeing to refund your money if Hyomei does not cure.
